Various Forms Of Headache

"It is necessary in order to treat headaches properly to understand the causes which produce them," says Dr. George Ray of Blockton, Ill. Continuing, he says: "Physicians cannot even begin the treatment of a disease without knowing what causes it. It is well known to all physicians that headache is to be treated according to the same rule. We must not only be particular to give a remedy intended to counteract the symptoms, but also the cause of the headache, but we must also give a remedy to relieve the pain until the cause of the trouble has been removed." To relieve this severe Anti-kamala Tablets may be found a most convenient and satisfactory remedy. One tablet every one or three hours gives comfort and relief in the most severe cases of headache, neuralgia and particularly the headaches of women.

When we have a patient subject to regular attacks of headache, we would caution him to keep his power ready for when nothing is better than "Anti-kamala," and when he feels the least sign of an oncoming attack, let him take a few tablets. Such patients should always be instructed to carry a few Anti-kamala Tablets, so as to have them ready for instant use. These tablets are easily dissolved and can be depended upon to produce relief in a very few minutes. Ask for A-K Tablets.

Anti-kamala Tablets can be obtained at all druggists.

however, were in a measure offset here by the publication of estimates from crop experts showing an immense surplus in the United States. The total domestic yield was represented as breaking all records. Opening prices ranged from 4 1/2 to 5 1/2 higher, with December at 95 1/2¢ and May at 97 1/2 to 98 1/2¢, but were followed by a decided reaction all around.

Closing prices were easy at a shade to 5 1/2¢ net decline with December at 85 1/2 to 95 1/2¢ and May at 96 1/2¢. Favorable weather eased the corn market. There were also estimates current pointing to a record yield of corn, as well as of wheat. After opening 5 1/2¢ lower to a shade advanced, corn underwent a moderate general shake.

The close was heavy at 1 1/2¢ to 3¢ under last night.

Outs weakened with corn. Price changes, though, were small.

Provisions at first tended downward because of lower quotations on hogs. Later a rally took place owing to support from packers.

SISTER OF CHARITY LEADS THE RUSSIANS BACK TO VICTORY

(By Evening Herald Leased Wire)

Petrograd, Oct. 1 (London)—A

Russian Sister of Charity, Miss Lucia, was on the field of battle during a severe engagement on September 22. The commander and all the other officers of the tenth company of her regiment were killed in the action. Realizing that the position was a critical one she rallied the survivors of the company and with them charged the German line, drove it back and captured a German trench. At the moment of victory she fell mortally wounded.

The close was heavy at 1 1/2¢ to 3¢ under last night.

Outs weakened with corn. Price changes, though, were small.

COMMISSIONERS PUT UP \$5000 FOR ROAD BOARD

Chairman John Beaven Gets Busy Opening New York Avenue and Will Widen Central in Time for Fair.

By its various appropriations of the past few days for road purposes the county commissioners have appropriated a little more than \$15,000 for the use of the county road board in making permanent and important road improvements near the city. Of this sum \$12,000 was for flooring the Belvoir bridge. The sum of \$2,000 was set aside for opening New York avenue, while the balance was made available for the use of the road board in widening Central avenue just west of Hanover castle, where the street narrows sufficiently to cause congestion during time of heavy traffic.

"The road board appreciates the ready co-operation of the county commissioners," said Chairman John Beaven of the road board this afternoon, "and we are going to show it by getting busy at once. In fact wrecking of buildings and fences on the New York avenue survey is underway today and we hope to get this new street open in time to relieve some of the Central avenue congestion during fair week. This we also hope that we can widen Central avenue in time for use of the improved street during the state fair. This, however, is uncertain, as it will be necessary to lower a main aqueduct more than two feet and put in a corrugated iron sphinx. This will take some time. But if the material arrives on time we hope to have the work done before the fair opens."

MISSOURI MAYOR INDICTED ON A CHARGE OF ARSON

(By Evening Herald Leased Wire)

St. Louis, Oct. 1.—Roy M. Tidd, mayor of Webster Grove, Mo., a suburb of 10,000 inhabitants, and president of the Nixon-Jones Printing company, was indicted today on a charge of arson.

The Nixon-Jones plant was destroyed by fire on the night of September 4. Julius R. Bersch, vice president of the Bersch Insurance Agency, was indicted on a similar charge.
